本編の主人公。

機甲術の使い手。

近未来――世界は、支配する者と支配される者とに二分されていた。

圧倒的な力で地上を治めるのは、天空に浮かぶ人工の楽園都市・ザレム。だが、誰が、いつ、何のために、空中都市を造ったのか、知る者はいない。

地上のクズ鉄町に住むザレム出身の医師・イドは、古い瓦礫の中から少女の頭部を発見し、ガリィと名付ける。奇跡的に甦ったものの、彼女の記憶は完全に失われていた。しかし、クズ鉄町での生活は、ガリィの中に眠っていた「戦士」の血を体々に呼び覚ます。ガリィは賞金稼ぎを生業としながら、貪欲に自己発見の道を突き進み始めた。

ザレムに憧れる少年・ユーゴと出会って恋を知り、彼の死にまみえ魂の慟哭を知った。絶望から逃れようと飛び込んだプロスポーツ・MB界では、帝王と呼ばれる男・ジャシュガンとの邂逅、死闘、決別を経験する。だが、狂気の科学者・ノヴァに改造されたザバンとの戦いの果てに、ガリィは"家族"であるイドを失い、己の命さえも風前の灯火となってしまう。

そのガリィを拾い上げ、新たな道を授けたのは、ザレム地上監察局だった。イド再生の鍵を握るノヴァの行方を追うために、ガリィはザレムの地上エージェント・TUNEDとして生きる道を選んだ。

ガリィは、傭兵のフォギアと知り合い、なくしかけていた"人"の心を取り戻す。そんなガリィの前に立ちはだかる者が次々と現れた。ノヴァの息子でサイコメトラーのケイオス、ケイオスの第二の人格として生まれ、ザレムに敵対する民衆のリーダー・竜。竜を慕う少女・コヨミ。ガリィの複製として作られたTUNED・GRシリーズ……。壮烈を極めた闘いの中で、TUNEDシステムをハックアップしていた協力者・ルウが解任され、ザレム人の脳がマイクロチップであるという驚愕の真実が明かされる。

対自機能による脳内ハッキングをはねのけノヴァを倒したガリィは、ついに勝利したかに見えた。が、フォギアのもとへ向かう彼女を待ち受けていたのはノヴァが仕掛けた思いもかけないトラップ――ノヴァはナノマシン・テクノロジーによって再生していたのだ。そして、爆死したガリィの脳は、空中都市・ザレムへと持ち込まれた……。

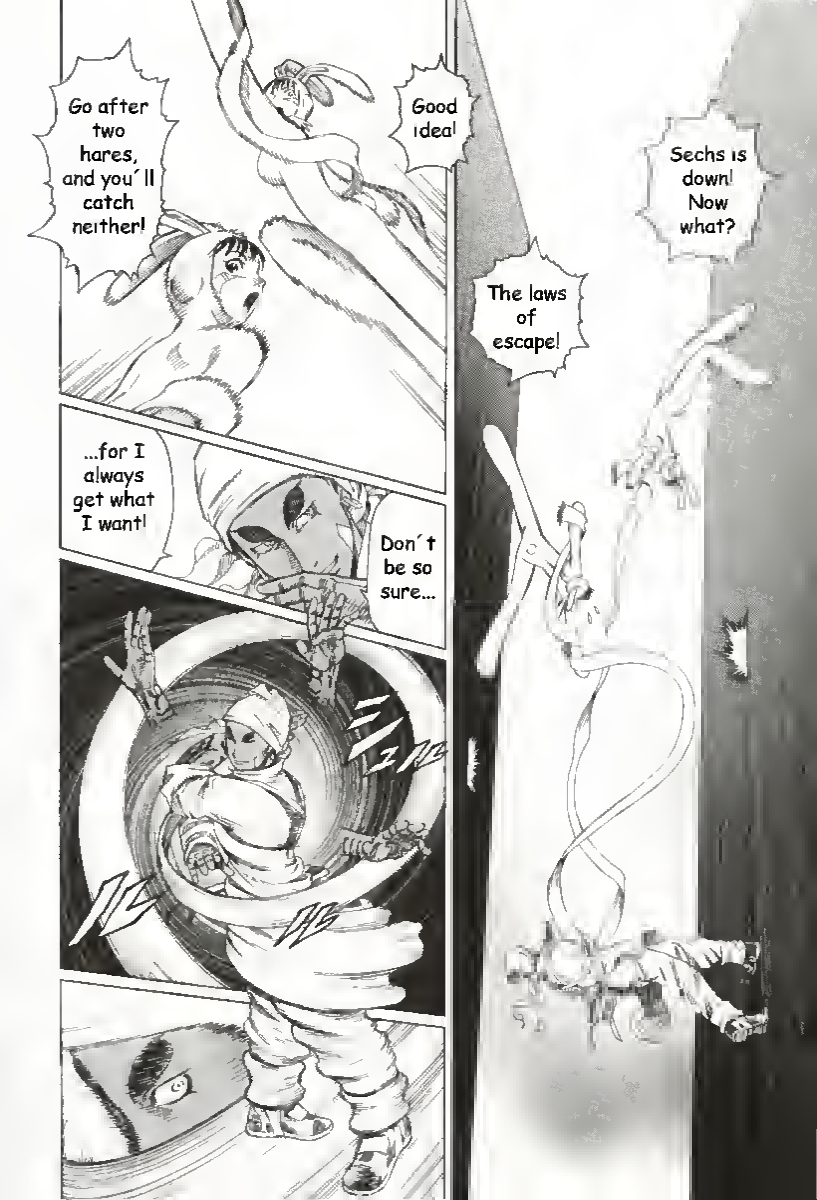
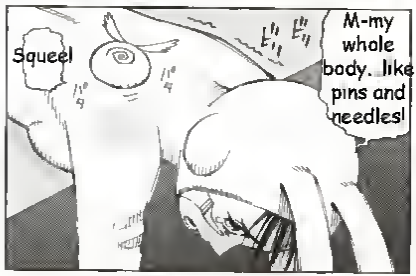
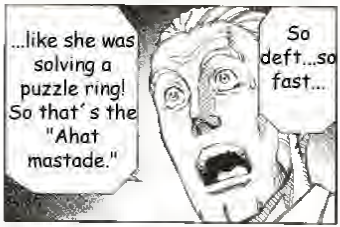
The tables have turned!
YEAH!
What seemed like paintless punches was a strategy to swirl up a claud af dust and lay out the straps!
Sechs took his blows at face value...
...but Niz was one step ahead!



Sechs is down! Now what?
The laws of escape!
Good idea!
Go after two hares, and you´ll catch neither!
Don´t be so sure...
...for I always get what I want!

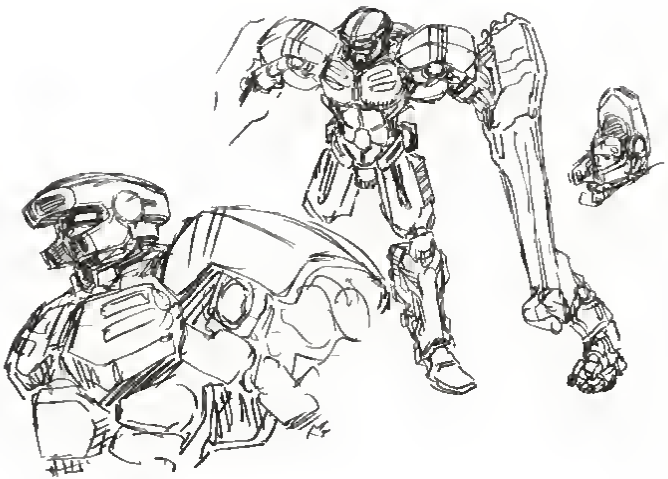
KILL TWO BIRDS WITH EVERY STONE!
アハトマスターデ秘技
一石二鳥!!
イーシーアルニアオ
NO EFFORT WASTED IN AHAT MASTADE!



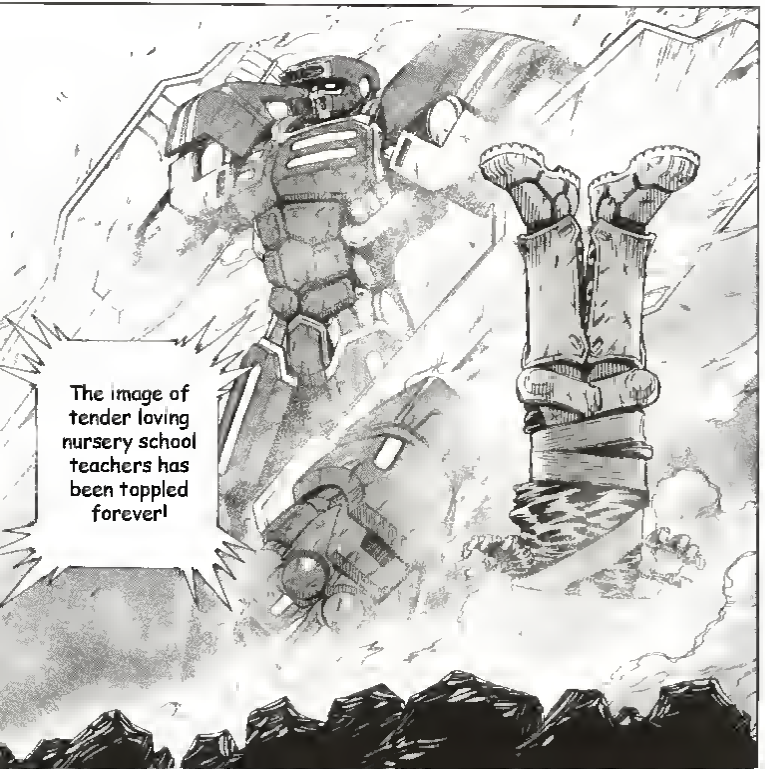


*Nei jia quan includes Tai ji quan (Tai chi "Ultimate Fist"), Xing yi quan ("Fist of Form and Mind") and Ba qua zhang ("Eight Diagram Palm"). Such internal styles of martial arts are based on Taoist philosophy. A reputed Ming dynasty form has been lost.

Come on out, Alita!
Let´s settle this once and for all!

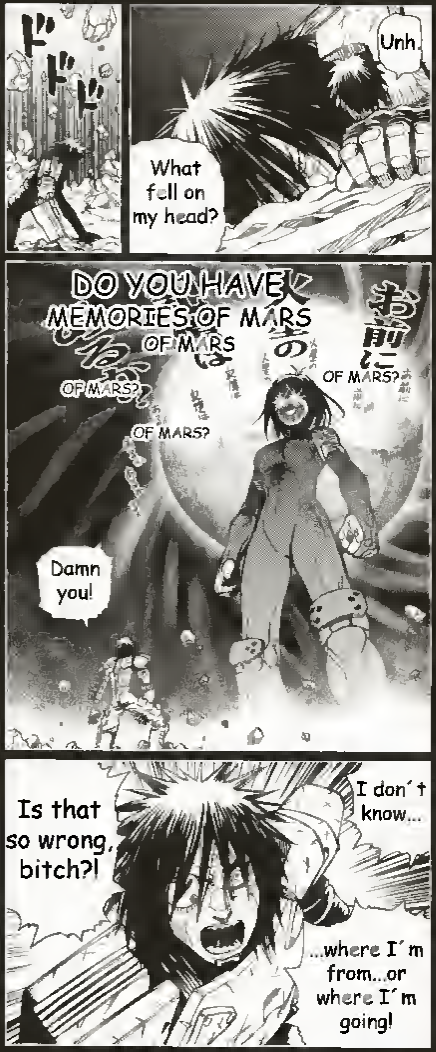


PHASE:30 Join the stars



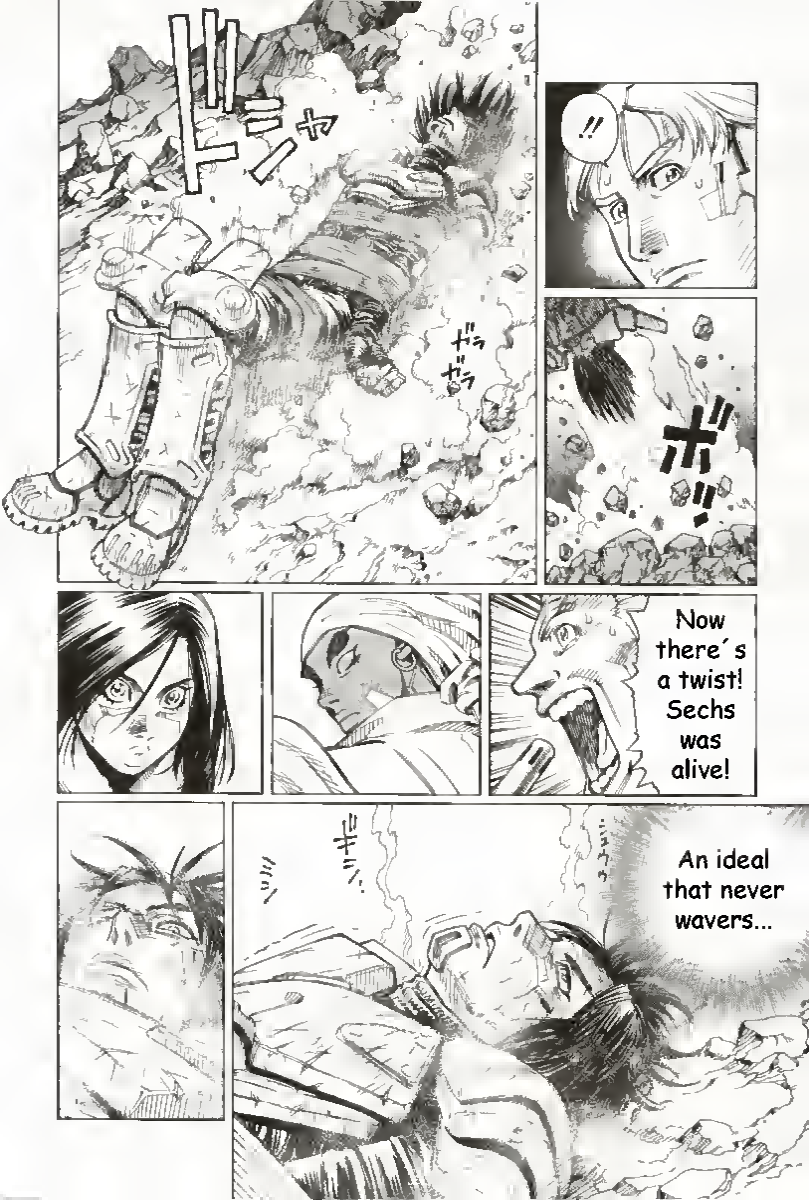
Stay the course.
...far perseverance is the path ta justice!
Dad.. I did it! I beat him!
Or will the prospect af a rematch with Toji ga up in smake?!
Can she do it?
The Space Angels have but faur members! Only Alita remains!
...so it´s up to Niz and me!
Come on, Alita!
We can´t put Caerula or Saya inta battle..
And we´re down ta twa!

Master...
?
I bewieve in you! Destwoy them!
Master is the stwong one! In envy way!
We´ll scratch...
...this match!
We can´t do this.
We can´t use these children as mere stepping stones.
We came to save Lou...
...but our diversion has taken on a life of it´s own!

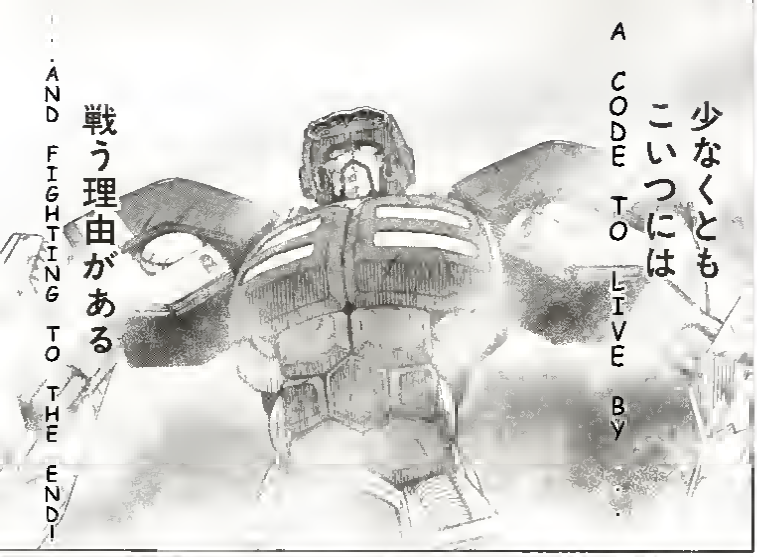


ドドド
Unh.
What fell on my head?
DO YOU HAVE MEMORIES OF MARS
お前に火星の記憶はあるか
OF MARS?
OF MARS?
OF MARS?
Damn you!
I don't know...
...where I'm from...or where I'm going!
Is that so wrong, bitch?!

Zazie!
A cause worth more than life itself...
That´s what makes a warriar!
...and idea that never wavers in the face af death!
But how?
How am I to know the woth of my life!?
ARRRGH!
The more I think, the more I don´t get it!

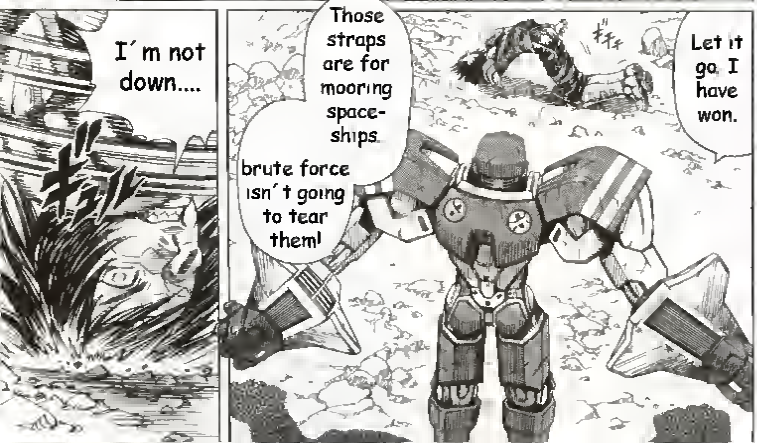


!!
Now there´s a twist! Sechs was alive!
An ideal that never wavers...

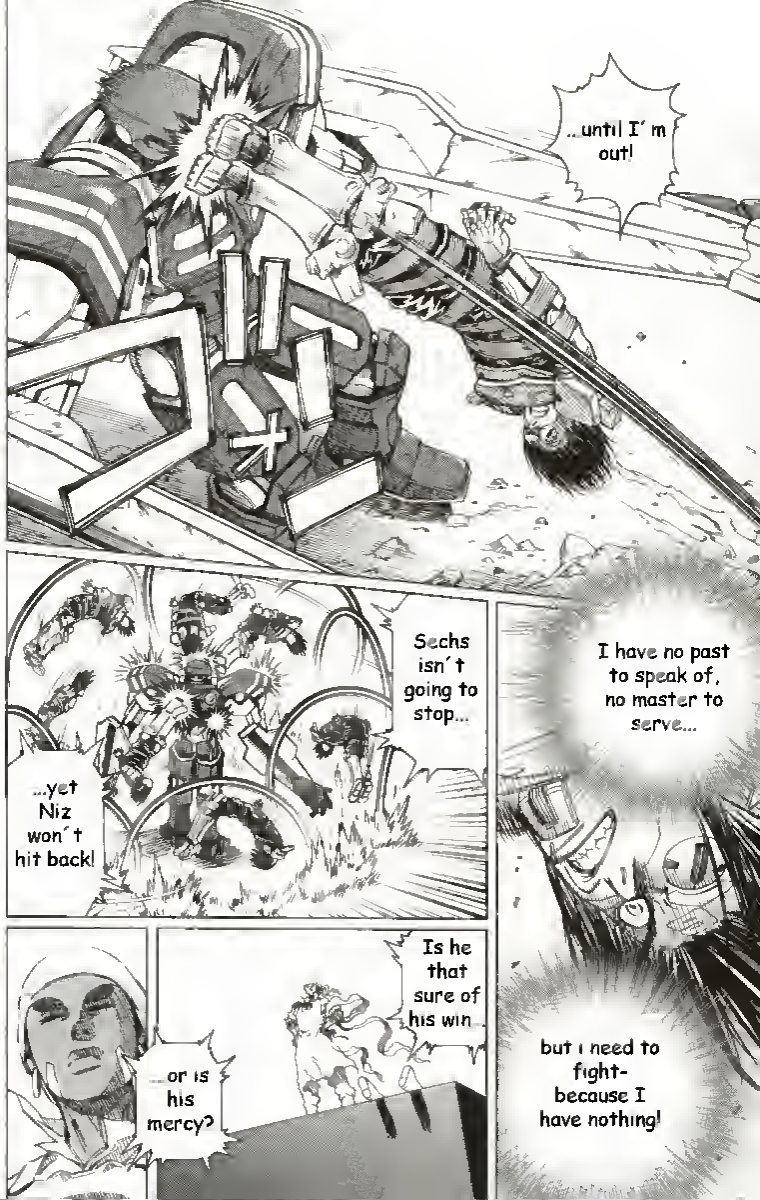


少なくともこいつには
A CODE TO LIVE BY
戦う理由がある
...AND FIGHTING TO THE END!

忍耐とは
IS THAT WHAT IT MEANS...
そういう意味か……!!
TO PERSEVERE?!?

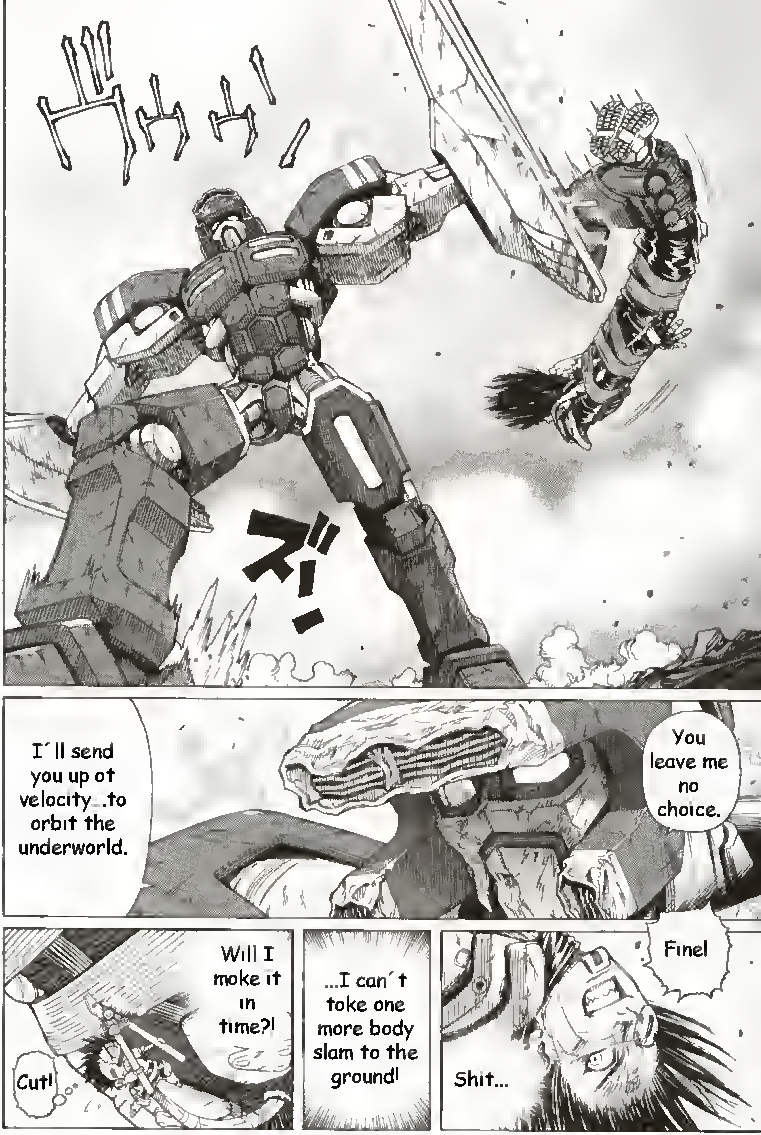


I´m not down....
ギュル
Those straps are for mooring space-ships.
brute force isn´t going to tear them!
ギチィ
Let it go. I have won.



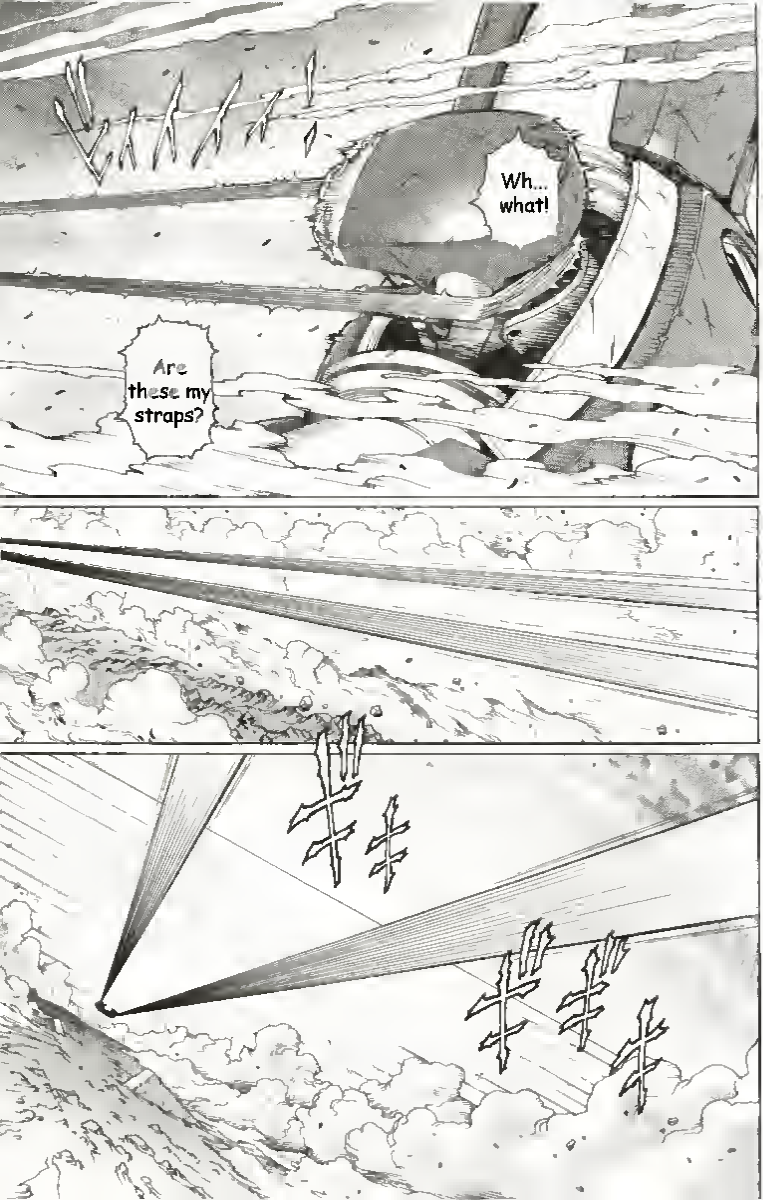
..until I'm out!
Sechs isn't going to stop...
...yet Niz won't hit back!
I have no past to speak of, no master to serve...
but I need to fight- because I have nothing!
Is he that sure of his win...
...or is his mercy?

You can´t afford to pull a stunt like this, damn it!
Niz!
Don´t you go soft on me now!
!!
She´s right. If foes still stand in the arena...
...they stand in the way of the children´s futures!
!!

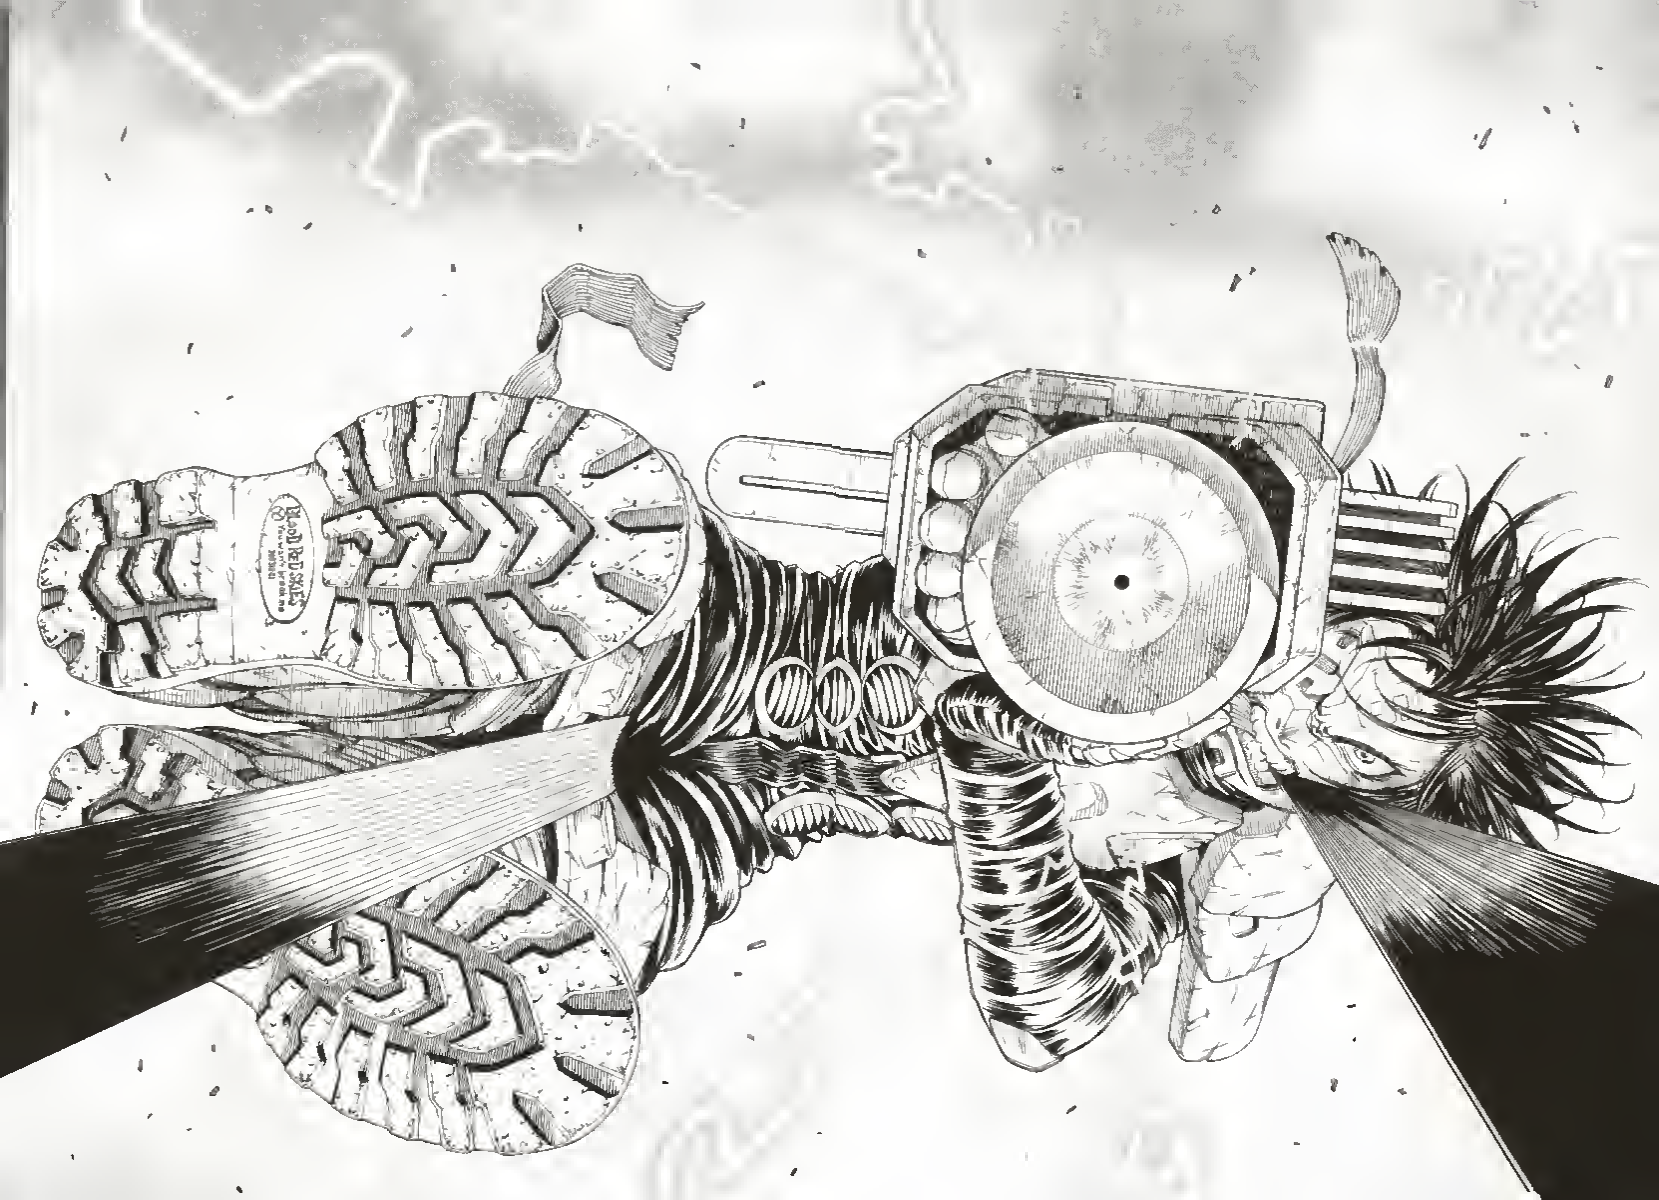


ズバーン
ズバー
I´ll send you up at velocity...to orbit the underworld.
You leave me no choice.
Cut!
Will I make it in time?!
...I can´t take one more body slam to the ground!
Shit...
Fine!

GO JOIN THE STARS...
星になれ
マスドライバー!!
MASS DRIVER!

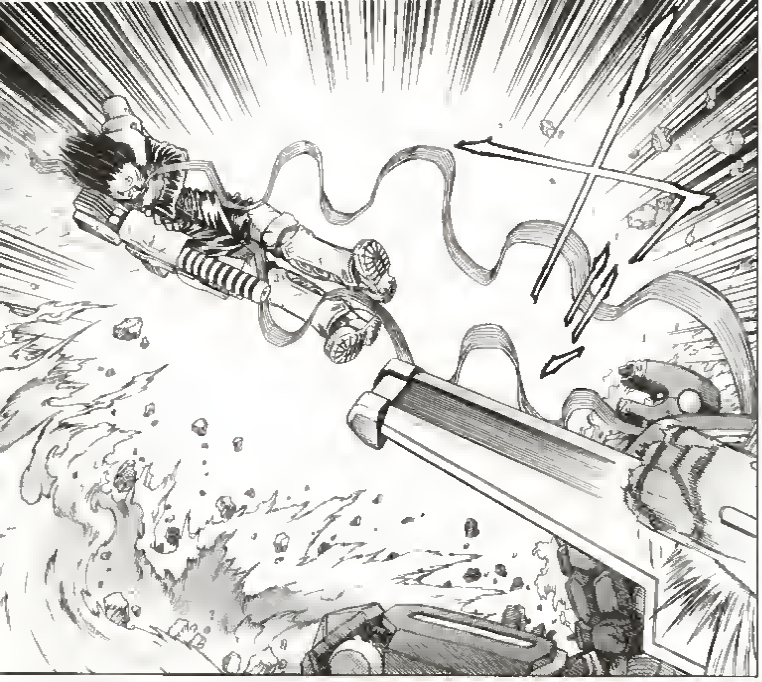


Wh... what!
Are these my straps?



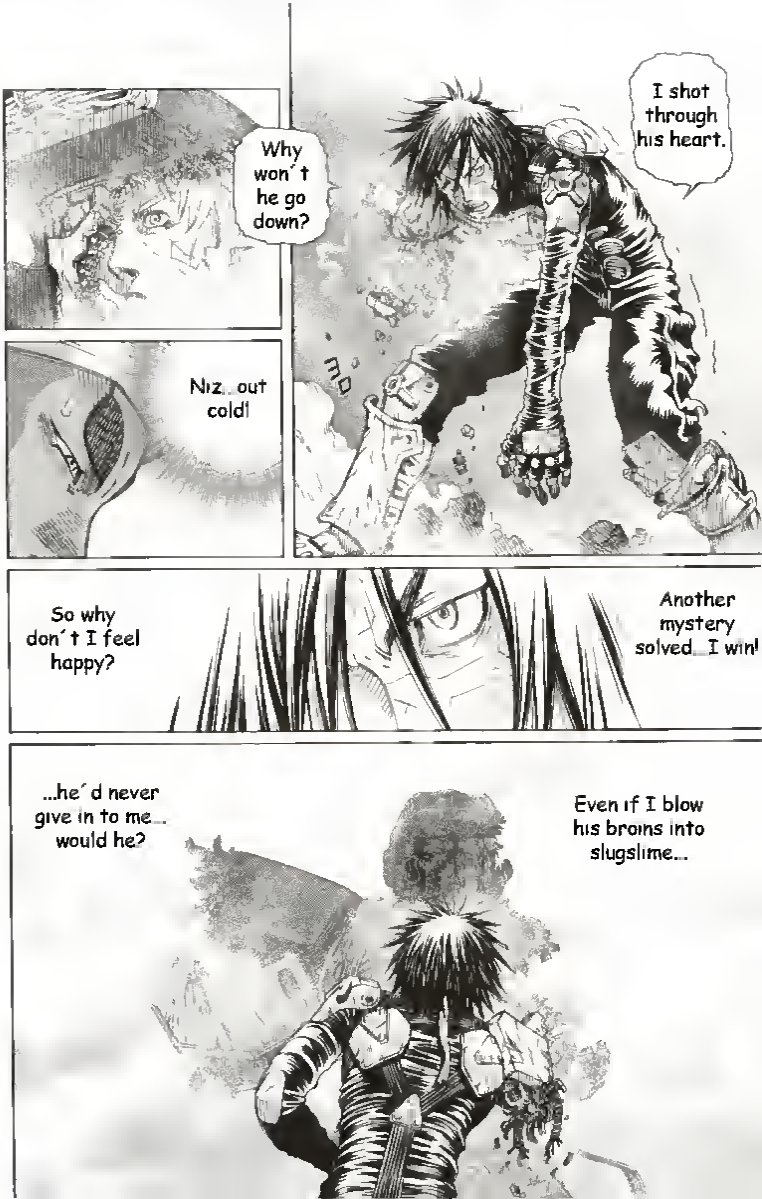
Jaime

DIE!
YAAAAAAAAH
DAD!

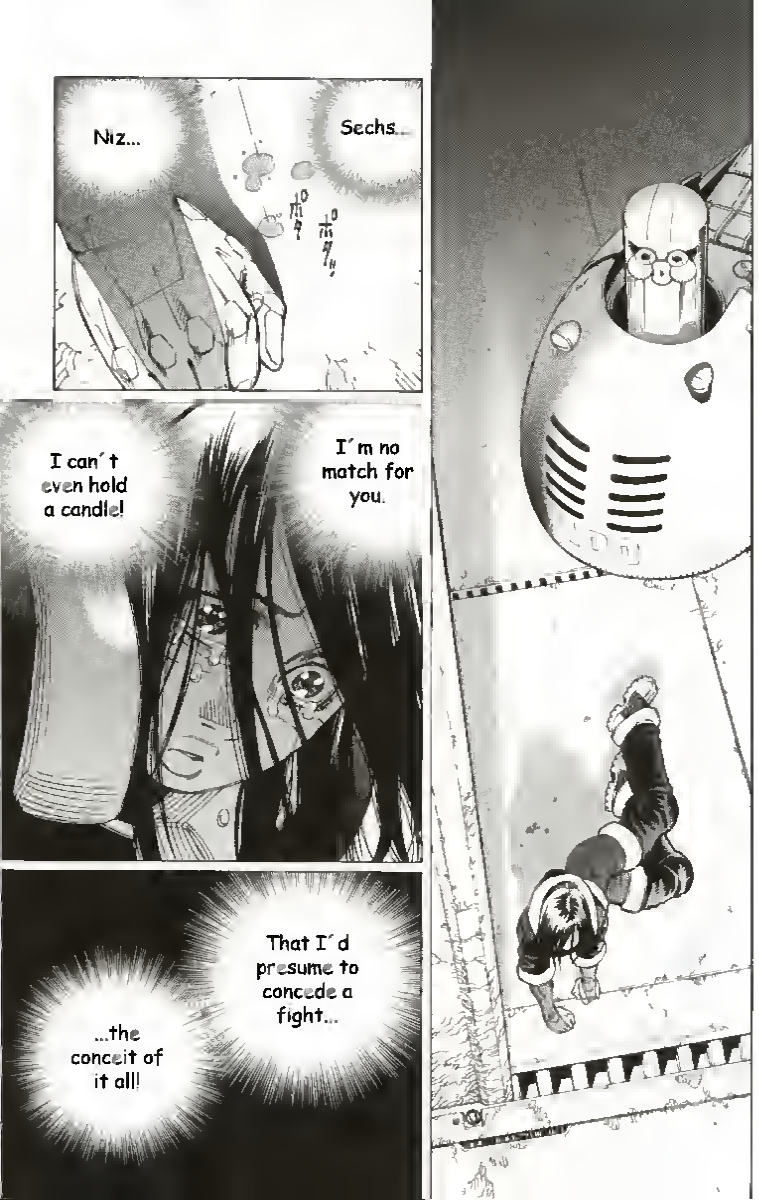


But will one of them...
THEY HIT DEAD-ON!

B-but... both his arms- gone! A huge hole...h-his chest!
...yes! Niz is still standing tall...
Niz!
N-not mr. N!
...damn you...
ガラ...
Die



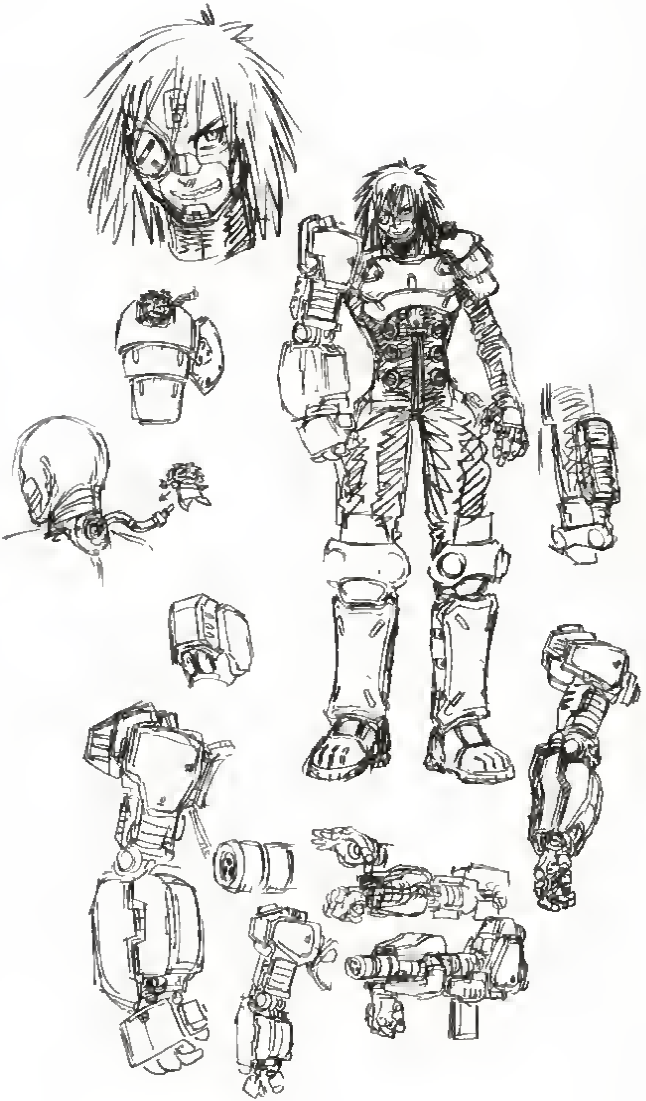
Why won´t he go down?
I shot through his heart.
Niz...out cold!
So why don´t I feel happy?
Another mystery solved. I win!
...he´d never give in to me... would he?
Even if I blow his brains into slugslime...



Niz...
Sechs...
I can´t even hold a candle!
I´m no match for you.
...the conceit of it all!
That I´d presume to concede a fight...

...never cared what people thought of me.
Alita... Yoko...I don't know who I am....
...was to battle on... until...
All I knew...
I've been oblivious.
ようやく！自分の身 独り 生きのびるのが やっと……!!
...finally I could survive on my own!
それが本当のこと… それが私の戦いの… 中身…… 私 そのもの…！
That's the truth...the substance of my battle.
...which is why a diversion isn't good enough!
That's what I am.

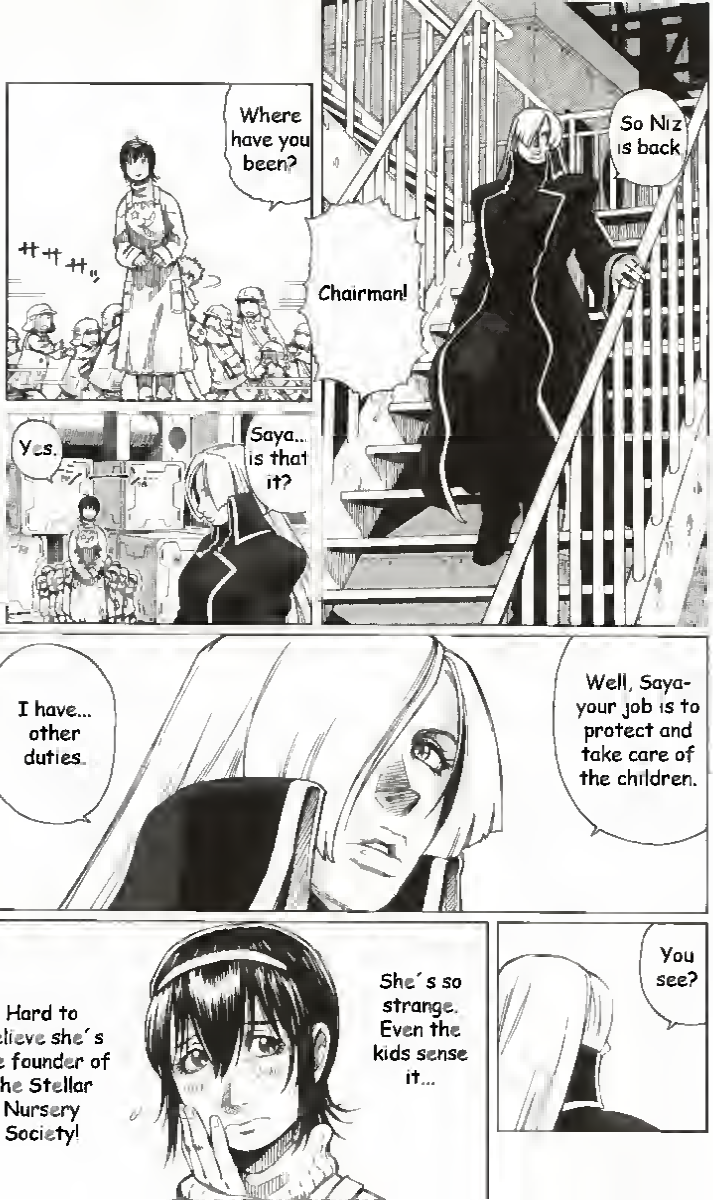
友のためでも
子供達のためでも
ない…
自分自身のために
戦うということ…
This isn´t for Lou...or the children I´m fighting for myself!
それではじめて
私は 自分を…
越えられる!!
Not just to survive...but to transcend!



PHASE:31

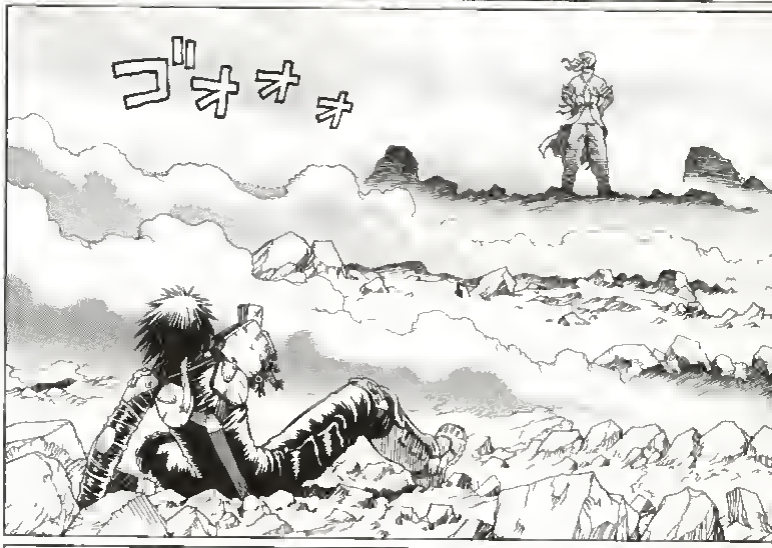
´Round and ´Round

Don´t touch him! You´ll get burned!
He´s here! Mr N!
See? Everything is okay,
?
His brain is intact.
...but he´ll live.
He´s had a rough time of it...
Doctor, will Niz be all right?
Rio...
Oh!
I hate this! Stop fighting!
But everything is not okay!



Where have you been?
++ ++ ++
So Niz is back
Chairman!
Yes.
Saya... is that it?
I have... other duties.
Well, Saya- your job is to protect and take care of the children.
Hard to believe she's the founder of the Stellar Nursery Society!
She's so strange. Even the kids sense it...
You see?

What kind of battle code is that?!
No fun at all!
Sechs was about to finish Niz off, when Qu Tsang stepped in!

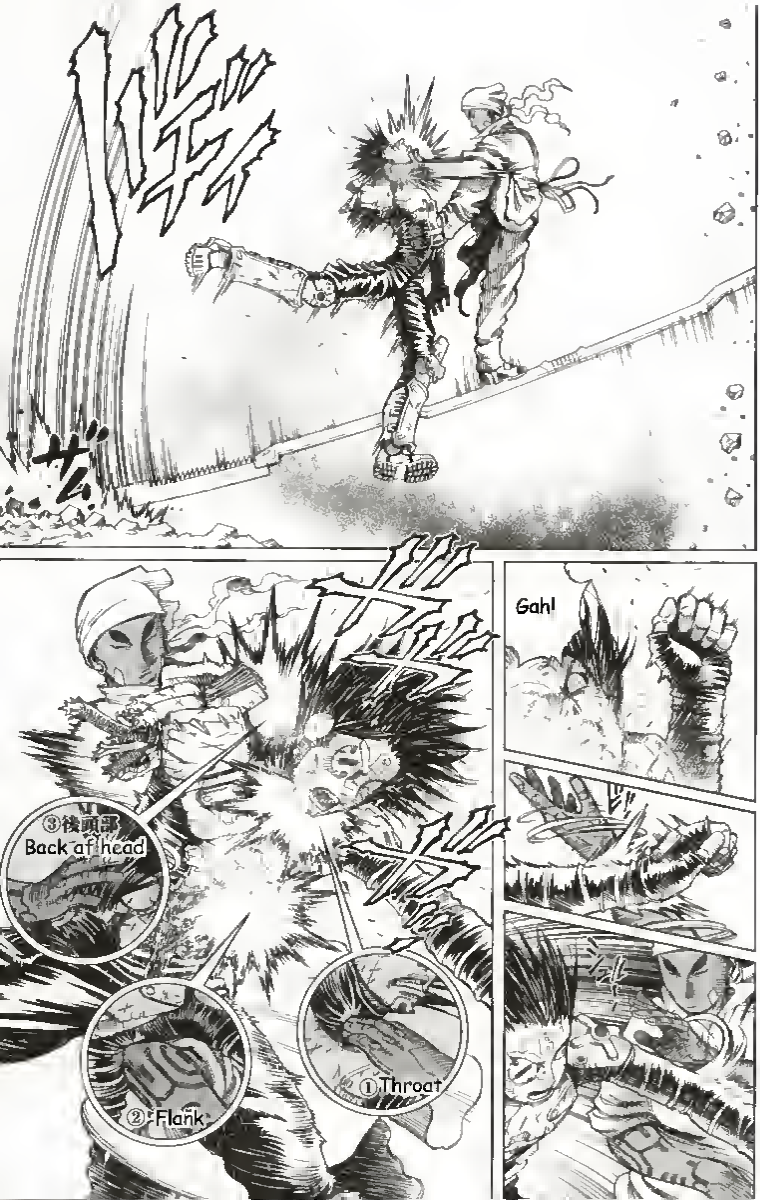


ゴォォォ

...do you have a child?
By the way...

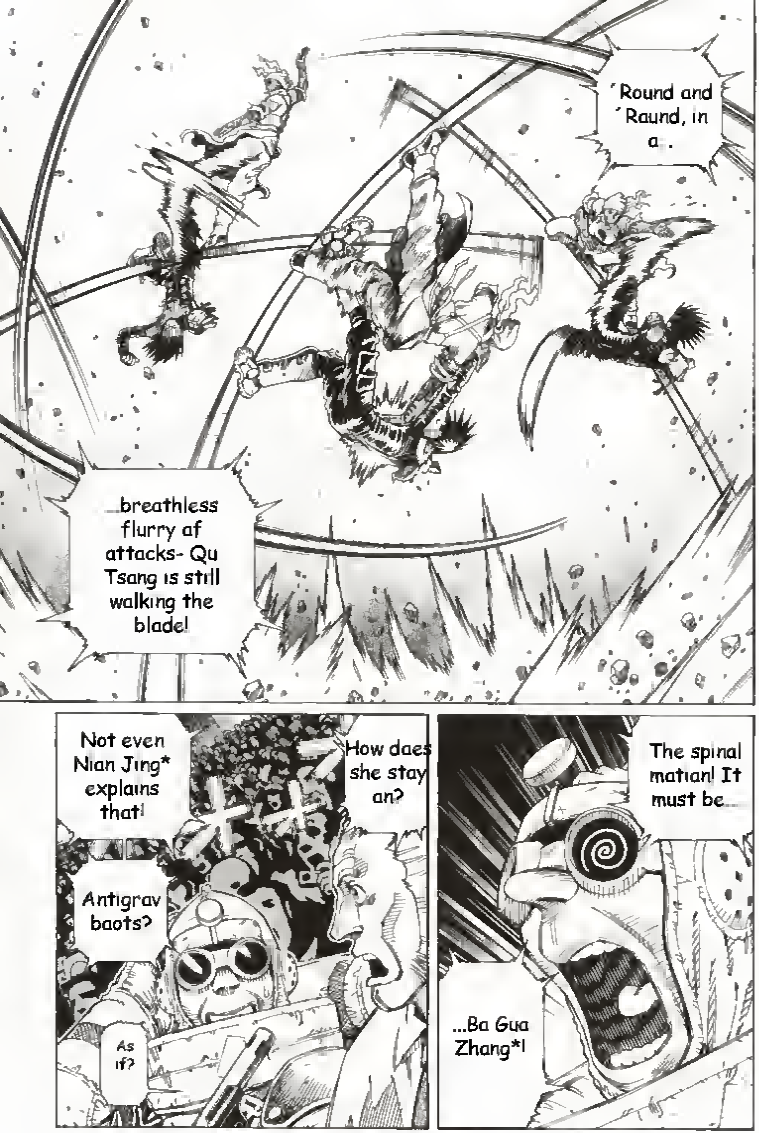
Of course I don´t have kids!
Wake up!
I am a ondroid!
I see.

So no one...
will mind if I kill you!
Wh-what!?



Gah!
③後頭部
Back of head
②Flank
①Throat

YAAH!
Wh... what was that?
③延髄 Medulla Oblangata
②神経 Salar plexus
①腰椎 Lumbar vertebra



´Round and ´Raund, in a .
...breathless flurry af attacks- Qu Tsang is still walking the blade!
Not even Nian Jing* explains that!
How daes she stay an?
Antigrav baots?
As if?
The spinal matian! It must be...
...Ba Gua Zhang*!

*Ba Gua Zhang: is a martial art created by Dong Hai Chuan in the late Qing dynasty
*Nian ("sticking") Jing: maintaining bodily contact in battle. By moving with the flow of the opponent's movements, power can be deflected and controlled

It is a type of Ba Gua Zhong...
...modified for deep spoce combot! Since Chen Zhui Jing* relies on grovity, it wos useless under zero G! We needed a woy to odhere to a torget with Von der Waals forces.*
...thot TV fellow!
He has done his home-work....
...Ahot Mostode come into being!
And so..
How old is she again..?!
...who taught Ba Gua Zhang to Ahat Mastade's founder,
...t was I...
You're so knowl-edge-

*Chen Zhui ("Drop") Jing increases the force of a blow by dropping the center of gravity. All combat sports developed on Earth includes this principle.

*Van der Waals force: Geckos are thought to use this intermolecular bonding to climb walls and ceilings.

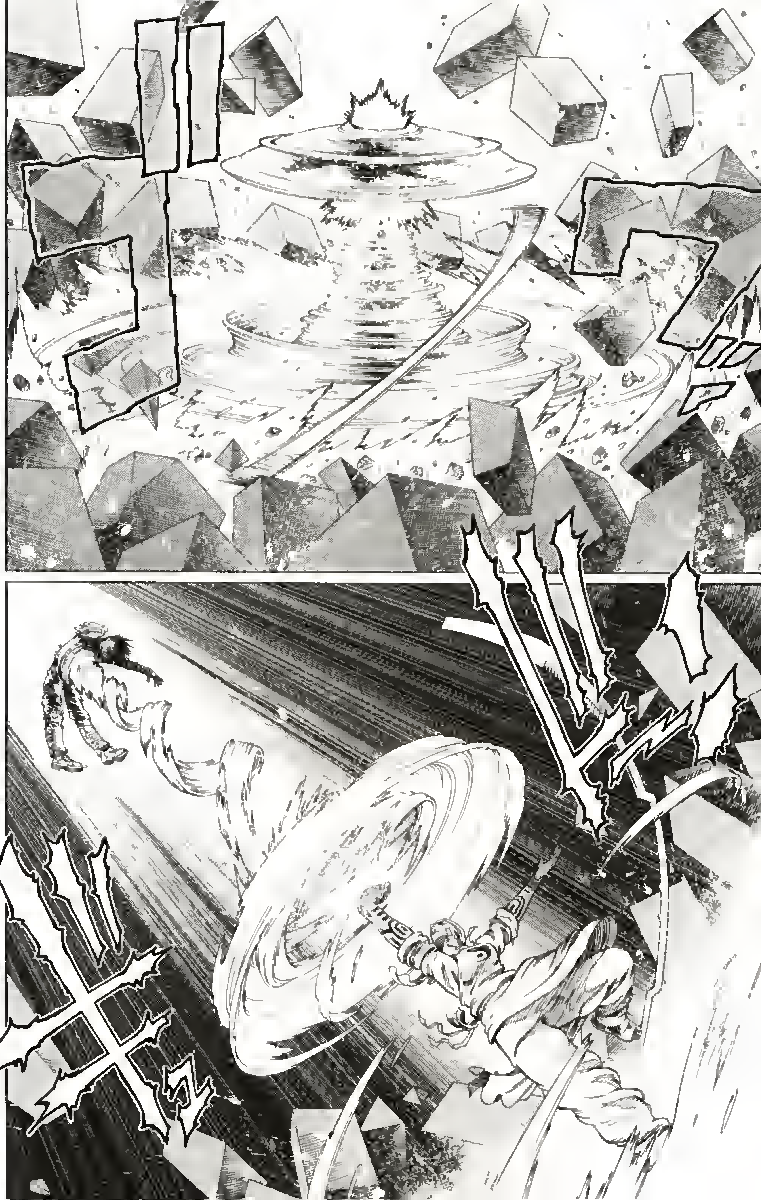
Unh
ドォ
She may be even better than Alita at close combat!
N-none of my attacks seem to connect!
I´ve got another minute at most, so...
Spent too much power on the quench gun!
It´s like I´m hitting rubber!
What´s this kid´s body mode of?!

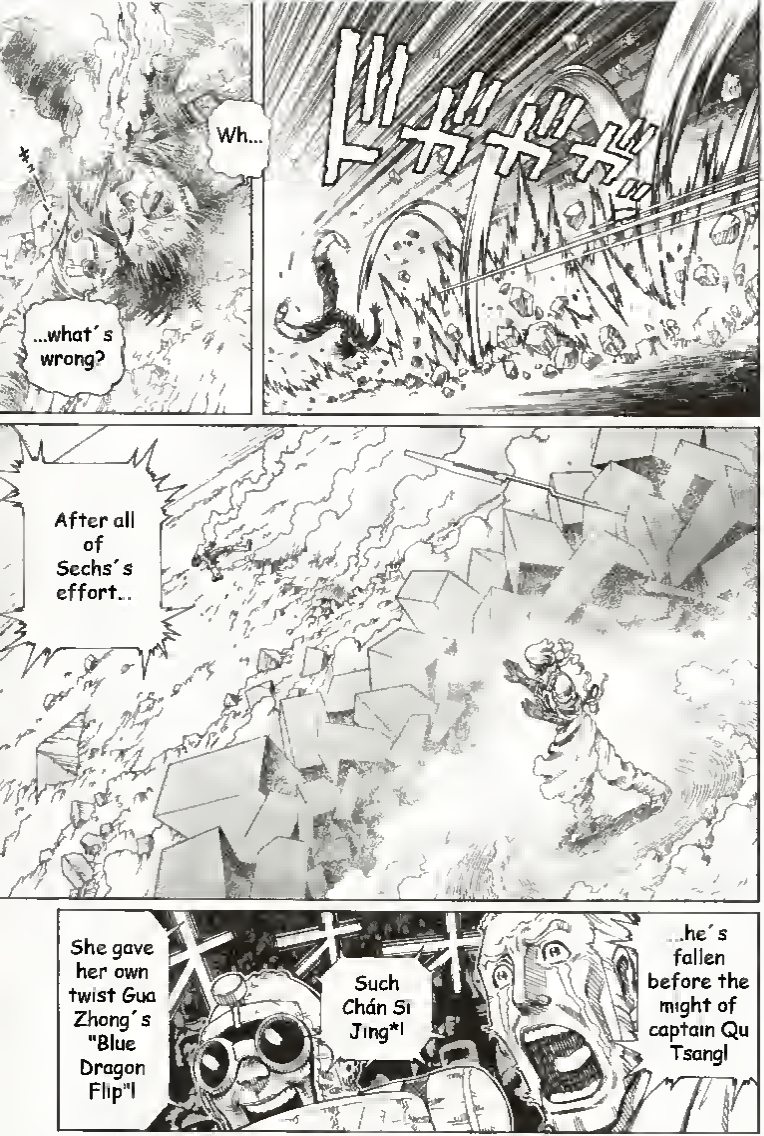
...bring it on!
If Alita can keep overcoming her limits...
...then I can do it, too!
!
ズズ...

そこだッ!!
YES! I DID IT!
第六攻撃!!
(セクスト・アングリフ)
SECHSTER ANGRIFF!

Agh!
Knew that was next!
!?
How did she get...
...in the spin radius of my blade?!
It's time...
...far the great attack of Ahat Mastade

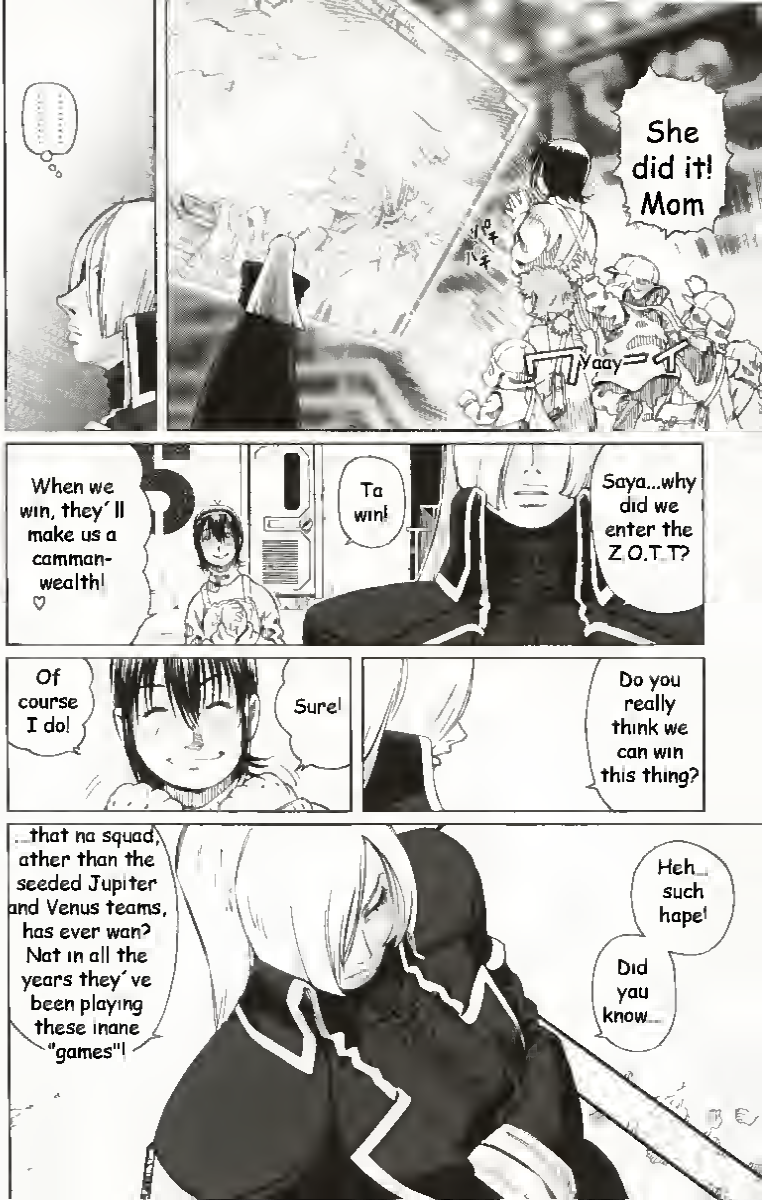
JUEZHAO!
絶招！
SPINNING DRAGON KING FLIP!
龍王翻身!!
ロンワンファンシェン





Wh...
...what´s wrong?
After all of Sechs´s effort..
She gave her own twist Gua Zhong´s "Blue Dragon Flip"!
Such Chán Sī Jìng*!
..he´s fallen before the might of captain Qu Tsang!

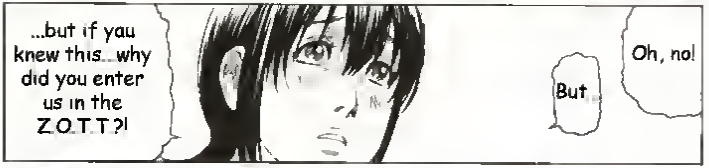
*Chán sī ("spiral") Jìng - a method to increase momentum by twisting or spinning the body
Often used to reinforce a strike, Ba Gua Zhang can be applied in defense as well



She did it! Mom
Yaay
Saya...why did we enter the Z.O.T.T?
Ta win!
When we win, they'll make us a camman-wealth! ♡
Sure!
Of course I do!
Do you really think we can win this thing?
Heh... such hope!
Did you know...
...that na squad, ather than the seeded Jupiter and Venus teams, has ever wan? Nat in all the years they've been playing these inane "games"!

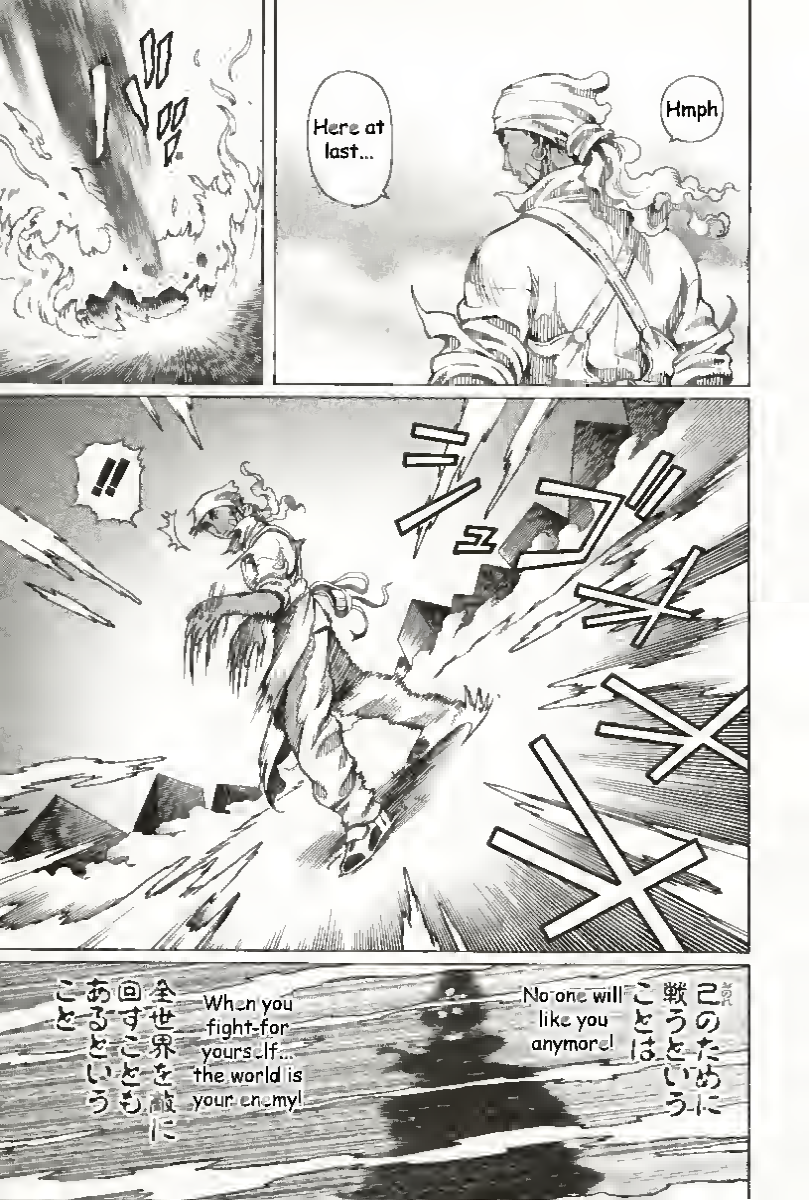
...and the losers wait it out for yet another year!
The tournament format and rules are all tailored to the advantage of the major countries, thus ensuring that the winners decline the commonwealth prize.

...to display the power of the status quo!
The Z.O.T.T. is a mock war...



...but if you knew this...why did you enter us in the Z.O.T.T.?!
But...
Oh, no!

!?
I want you all to die.
Don't you see?



Here at last...
Hmph
!!
己のために戦うということは
No one will like you anymore!
全世界を敵に回すことでもあるということ
When you fight for yourself... the world is your enemy!

ゴ!!
I'll just have to take it...

…as it comes!
